Overview & Features

Product Features

- Grip Tight™ Circuit Breaker Lockout
- Fits virtually all circuit breakers you will find in a lockout situation
- Includes one 491B and one 493 Grip Tight™ circuit breaker lockout device
- Grip Tight™ circuit breakers work with simple thumb turn and clamping handle
- Innovative patented Grip Tight™ design effectively locks out circuit breakers
- Adjust to breaker with simple thumb turn and then close clamping handle for a tight grip on the toggle
- Great strength with universal fit
- 491B fits wide or tall breaker toggles typically found on hi-voltage/hi-amperage breakers
- 493B fits standard height and tie-bar toggles typically found on 120 and 240 volt breakers
- Compact lockout device is easy to carry and easy to store

Certifications

Product Details

The Master Lock No. 506 Grip Tight™ Circuit Breaker Lockout combo pack includes one 491B and one 493 Grip Tight™ circuit breaker lockout. The innovative and patented Grip Tight design effectively locks out circuit breakers with a simple operation and the durable construction with powder coated steel and reinforced polymer stands up to harsh environments. Devices are compact and accept all American Lock® and Master Lock® safety padlock shackles and most lockout hasps.
