

VOLT 2.0

ERGONOMIC & EFFICIENT

Designed for MIG/MAG, TIG and grinding applications, the VOLT 2.0 is a multipurpose welding helmet designed for welders who prioritize comfort and protection.

Simple & efficient, it features a True Color auto-darkening filter for superior visual clarity and a 3-point adjustable headgear that ensures a comfortable fit all day long.

CLEANING & STORAGE

CLEANING: The lenses should be cleaned regularly. Bollé Safety recommends only using the B-clean lens cleaning system.

MAINTENANCE: Pitted, scratched or damaged lenses must be replaced by replacing the complete product. If the frame is damaged also replace the complete product. After each use it is recommended to keep the glasses or goggles in a microfiber pouch or rigid case.

STORAGE: All products must be stored in a dry and clean environment.
